

Minibus Hire Terms and Conditions

- The minibus is covered by an insurance policy that provides cover only for bona fide Scouting and Guiding use. The hirer is liable for the insurance policy excess (£150) in the event of any claim arising from their use of the vehicle.
- All drivers must have a valid driving licence permitting them to drive a 3.5 tonne minibus; the licence must be free of current penalty points (ie incurred within the last 5 years); and the driver must be at least 21 years old on the day the hire commences and have held a full licence for more than two years. If a trailer is to be towed the hirer must ensure that driver has appropriate category on their licence. The driving licences (photo-card and paper counterpart) of all drivers must be made available for examination before the hire commences.
- Before the hire commences the general condition of the vehicle must be agreed between 1st Consett and the hirer by way of a brief inspection of the vehicle. After the vehicle is returned a further joint inspection will establish whether there has been a change in the vehicle's condition. The hirer will be liable for any damage to the vehicle during the period of hire.
- There is a fuel card for the minibus, which can be used by the hirer in all Morrisons, Tesco and Sainsbury's Supermarket garages. If the minibus has less than half a tank of fuel please fill it up before returning.
- No camping equipment or other luggage except small personal bags that will fit under the seats may be transported inside the vehicle. Aisles and exits must be kept clear.
- The hirer is responsible for keeping the vehicle clean and returning it clean. To aid this no drinks other than plain water are to be consumed in the vehicle and no cooked food is to be eaten inside the vehicle.
 - If the vehicle is returned in an unclean state the hirer will be charged £50 to cover the cost of cleaning.
- Smoking is **not** permitted in the vehicle.
- Whilst passengers are in the vehicle all doors must be unlocked. When the vehicle is empty of passengers (and driver) all doors must be locked. If the vehicle is stolen because the driver has not complied with this requirement our insurers will not pay out and action will be taken to recover our loss from the hirer.
- All hirers of the vehicle must hold a section 19 minibus permit to exempt them from PSV/PCV requirements and must display it in the vehicle during use. Permits apply to the organisation hiring the vehicle, not to the vehicle itself, so you must have your own. If a hirer does not have a permit when they arrive to pick up the vehicle they will not be allowed to drive the vehicle. Hire costs will still be payable.
- Hires charges are:

£50 per day inclusive + £0.70 per mile
- All bills must be paid within 14 days of receipt
- Any fines resulting from parking will be passed onto, and are the responsibility of, the hirer. 1st Consett Scout Group reserve the right to make payment and then recover the amount from the hirer. The hirer is responsible for any charges (tolls etc) arising through the use of the vehicle
- Any prosecution of a driver arising from the use of Minibus will be the responsibility of the hirer and/or driver. This includes any charges against a driver arising from vehicle defects.
- The hirer is responsible for maintaining correct oil and water levels, and correct tyre pressures, during the period of the hire.
- The hirer may be liable for the cost of replacing a tyre if it is damaged beyond repair due to kerbing, or being driven on whilst it is flat or punctured.
- Drivers should note that the minibus has a speed limiter fitted that will prevent the vehicle exceeding 62mph. This is very important to bear in mind, particularly when overtaking. The speed limiter is a legal requirement.
- Speed limits for minibuses are different for minibuses than for cars. All drivers must be familiar with these.
- It is recommended that all drivers have undergone specific minibus driver training, such as MiDAS.
